

In-Situ[®] Inc. is dedicated to promoting educational opportunities for students in the areas of the water sciences (hydrology, limnology, geology, ecology, natural resources, forestry, mining and related engineering). In-Situ's water level and water quality instruments are specified and used around the world. To further In-Situ's commitment of educating future water professionals In-Situ offers the following educational discounts to qualified institutions:

- **Discount Program:** Qualified Educational Institutions* will receive the following discounts from US list price on the purchase of up to three In-Situ Inc manufactured instruments and accessories per year: **30% discount if order is pre-paid before shipment; 25% discount if invoice is paid within 30 days from date of invoice. If invoice is not paid within 30 days Qualified Educational Institution* will be invoiced for the full US List Price. Discount applies only to In-Situ manufactured products and does not apply to products purchased by In-Situ for resale i.e. RuggedReader[®]. No other discounts can be combined with this offer.**
- **Demonstration equipment** - Up to 7 days at no charge, after which regular rental rates apply. **Qualified Individual*** must execute an In-Situ demonstration agreement prior to equipment being shipped. Demonstration equipment is issued on an "as available" basis. Equipment loans may be limited.
- **Literature:** Manuals, Brochures, Technical Notes and Applications Notes will be provided to faculty and students upon request or by visiting www.in-situ.com downloads.
- **Technical Assistance:** In-Situ personnel may be available to attend field schools and classes to provide technology demonstrations and instruct students in the use of In-Situ instruments. **Schedules must be confirmed at least two months in advance of on site activities.**
- **Important Note:** In-Situ Instrument(s) may not be used in a "for profit" capacity.

DEFINITIONS AND OTHER TERMS & CONDITIONS

***Definition of "Qualified Educational Institution", "Qualified Individual":**

- **"Qualified Educational Institution"** Institution must be academically accredited, with current courses offered in the water sciences.
- **"Qualified Individual"** Must show proof of enrollment in, or of teaching of, a current or upcoming water science class. **Qualified Individual** must certify that they have authority to sign on behalf of the **Qualified Educational Institution**.
- The course(s) for which the instruments are to be used must directly relate to water science studies and the discounted instruments **may not be used in a "for profit" capacity.**

Other Terms and Conditions

- In-Situ educational discount form must be completed, returned to In-Situ and approved by In-Situ.
- Institution and/or individual must be in good credit standing with In-Situ Inc.
- Shipping charges are not included in this offer and are billed at regular rates.
- Discounted purchases of up to three (3) In-Situ manufactured instruments with In-Situ manufactured accessories per institution per calendar year are allowed.
- An "Application Note" authored by the Qualified Individual or the Qualified Individual's enrolled student is required for instruments purchased at a discount or loaned for demonstration. Application Note is due to In-Situ on or before the six month anniversary of purchased instrumentation and on or before the 6 week anniversary of the demonstration equipment. The Application Note must be no less than 500 words, and must contain the overall objective of using In-Situ equipment for the project.
- Applicant agrees to provide a copy of any research paper or technical report resulting from the use of instruments provided by In-Situ Inc and allow In-Situ Inc to use any such literature for teaching and/or promotional purposes.
- In-Situ reserves the right to modify or discontinue this program at any time. The terms and conditions contained herein are in addition to the standard In-Situ terms and conditions, available upon request.

If you qualify for In-Situ's educational discount, please call In-Situ at 1-800-446-7488 and ask for Inside Sales. If you need instruments for your field schools or classes, please notify us at least 2 months in advance of the activity so we will have the instruments available for you. In-Situ sincerely looks forward to helping shape the next generation of water professionals.
